

South Dakota 2020

Some potential details for our trip.

Trip dates: July 10-19 2019

Cost: \$550

Leaders: Team from Legacy Church, Stroh COG and Local Missionaries.

Pre-trip training Some preparations and pre-trip training will happen at Legacy Marietta in the days before we leave. This will include cultural and evangelism training.

Where are we going? Allen, South Dakota. We will be stopping near Kansa City on the way there and back.

What will we do?: The specific ministry opportunities in no order are: Kids ministry VBS (villages have tons of children), Construction, Teaching and Preaching in the local church (they are super hungry for simple bible teaching), Dramas and skits, leading worship in the local church, might be some opportunities to do some healthcare things if we are able to offer it.

Housing: For housing...there is a bunk house that we will stay in.

Weather in July: 60-100 degrees. Prepare for just about anything. They have had hail in June and scorching heat depending on the year.

Potential Itinerary: This may change
