BEFORE YOU ARRIVE

WHILE ON CAMPUS

AFTER YOU LEAVE

June 11, 2020

Greetings in the Name of our Lord and Savior Jesus Christ!

We miss you! We miss worshipping with you, fellowshiping with you, and being together in all of the ways we once took for granted. We are excited to share that through much prayer and consultation we will be moving into phase 2 and will begin **modified Sunday worship in Marietta (10:30) and Canton (10:00) on June 21.**

This is not to be viewed as an "all clear" status for ministries, so **please refer to the enclosed document for guidelines** to ensure the safety of all our members and guests.

- o Social Distancing and other safety measures will be in place
- o **RSVPs will be required** to limit the number in attendance
- o Those who are high-risk, or have safety concerns should continue to worship online

The staff and leadership have been encouraged by the number of you who have continued to watch and share our worship videos online - all around the world! We are also grateful for those of you who have been able to consistently financially support Legacy Church during this time of "The New [not] Normal" As leaders, we are excited to see the depth of our love for Christ and His church. We wanted to share with you some of the **"good things"** that have happened during the past few months:

- o 23 Families received S'mores camp boxes
- o 50+ kids have received Praise Rocks In A Box kits and are engaged at home
- o 8 different Virtual Small groups continue to meet regularly
- o We are hearing reports of personal connections and lend-a-hand type outreach happening in your neighborhoods
- o Our social media engagement and reach is increasing everyday - We are averaging 400+ people viewing on our online worship services
- o Families are utilizing online @home resources and sharing them with friends and family
- o Our giving was majorly impacted, but we were granted the Payroll Protection Loan/Grant which allowed us to continue paying all staff during the last few months.
- o We have also continued the monthly financial support of a dozen missionaries and ministries

As we begin this time of "RESET", please show love and patience with each other as we make adjustments and move forward. **We love you** and will continue to offer resources online in the months ahead!

In His Service, Your Legacy Staff, Elders and Pastors!

**\*Our PRIMARY objective is to provide a safe worship experience for our members and guests.** Each phase includes implementing a number of sanitation and safety protocols which present many details and challenges for us to consider. The implementation of each phase will be determined (and/or adjusted) based on changing circumstances and new data. We will also monitor the overall state of health in the communities, and observe and evaluate the challenges and successes of church groups who returned to normalcy in advance of us.
